Responsibility Goals and Metrics for Meta

1. Strategy Goals

Goal 1.1: Increase Transparency in Content Moderation

- **Metric:** Publish biannual transparency reports covering content flagged, algorithms used, and outcomes.
- **Timeframe:** First report by Q3 2025; ongoing biannual reporting.

Goal 1.2: Diversify Revenue Streams

- **Metric:** Generate 10% of total revenue from ad-free premium subscription services by the end of 2028.
- **Timeframe:** Pilot launch by Q1 2026; full implementation by Q4 2028.

Goal 1.3: Implement Ethical AI Policies

- **Metric:** Conduct annual third-party audits of AI systems, ensuring compliance with fairness and accountability guidelines.
- **Timeframe:** Guidelines finalized by Q4 2025; audits begin Q1 2026.

2. Structure Goals

Goal 2.1: Establish an Independent Ethical Oversight Board

- **Metric:** Conduct four quarterly reviews of corporate decisions annually, starting Q4 2025.
- **Timeframe:** Board operational by Q3 2025.

Goal 2.2: Decentralize Decision-Making

- **Metric:** 50% of decision-making localized by 2028, measured through internal reviews of autonomy and effectiveness.
- **Timeframe:** Begin phased implementation by Q2 2026; completion by Q4 2028.

Goal 2.3: Embed Responsibility in Leadership KPIs

- **Metric:** Tie 30% of senior leaders' performance bonuses to responsibility KPIs (e.g., environmental targets, diversity hiring) by 2026.
- **Timeframe:** Metrics integrated into performance reviews by Q1 2026.

3. Culture Goals

Goal 3.1: Reduce Burnout Across Workforce

- **Metric:** Achieve a 50% reduction in burnout rates by 2028, measured via annual employee well-being surveys.
- **Timeframe:** Pilot programs launched by Q1 2025; full rollout by Q4 2025.

Goal 3.2: Strengthen Diversity, Equity, and Inclusion (DEI)

- **Metric:** 30% of DEI mentorship program participants promoted within 3 years, tracked via HR data.
- **Timeframe:** Program launch by Q2 2025; evaluation ongoing through 2028.

Goal 3.3: Conduct Annual Responsibility Training

- **Metric:** Achieve 90% employee participation in ethics training by 2026.
- **Timeframe:** First training session by Q3 2025; annual updates thereafter.

4. Purpose Goals

Goal 4.1: Achieve Carbon Neutrality

- **Metric:** Reduce greenhouse gas emissions by 50% by 2029; achieve neutrality by 2030, verified by third-party audits.
- **Timeframe:** Begin transition to renewable energy in Q1 2025; complete neutrality by Q4 2030.

Goal 4.2: Expand Digital Literacy Education

- **Metric:** Reach 10 million participants in digital literacy programs by 2028.
- **Timeframe:** Campaign launch by Q2 2025; achieve target by Q4 2028.

Goal 4.3: Improve Accessibility Across Platforms

- **Metric:** Ensure 100% of Meta platforms comply with WCAG 2.1 accessibility guidelines by 2026.
- **Timeframe:** Begin audits in Q1 2025; full compliance by Q4 2026.

Realistic Timeframes and Congruence with Pain Points

- **Pain Points Addressed:** These goals directly address Meta's challenges such as a lack of transparency, environmental impact, employee burnout, and over-reliance on ad revenues.
- **Realistic Timeframes:** With a starting point in 2025, the timeframes are struct
